I. Business Matters

The presiding officer, BAC Chairperson Marcelino called the meeting to order at 9:30 A.M. The Chair declared a quorum.

Issues Raised	Queries/Clarifications from Bidders	Clarifications
	A representative from Hino Naga/Lass Automotive inquired regarding the specifications, stating that for a van with the specified engine (4500 cc) for the van, the ABC would not cover the vehicle. Additionally, it is for a six wheeler van and considered overpowered.	The BAC TWG answered that they would consult with MAPE for the specifications and engine. They shall also review whether the can should be 4 wheels or 6 wheels.

The BAC Secretariat is instructed to issue a bid bulletin seven days before the date of bid opening.

Project Title:

3. Supply and Delivery of:

LOT 1 – 3,040 Heads Duck (₱1,520,000.00)

LOT 2 – 20 Heads Heifer (₱700,000.00)

LOT 3 – 68 Heads Draft Animal Caraheifer (₱2,380,000.00)

ABC – ₱4,600,000.00

The Chair acknowledged the presence of the prospective bidder/s:

1. Dagooc Farm

BAC TWG presented the technical specification of the items to be bid for information, clarification and finalization. He stated that Lot 1, there is 3,040 Heads Duck, preferably itik pinas, and also listed the specification which must be free from defects and deformities. The breakdown for delivery is 1,540 ducks to be delivered in CBES, 1500 ducks to Albay Breeding Station, Cabaingan, Camalig, Albay. For Lot 2, there is 20 heads heifer and the delivery shall be at DA RFO 5, CBES. For Lot 3, there is 68 heads draft animal caraheifer. The breakdown of delivery is 40 heads of draft animals at CHUDS, while 20 heads of draft animals to be delivered at DA-CNNLRS, Daet, and 8 heads of draft animals to be delivered at CBES. The delivery is staggered delivery.

Issues Raised	Queries/Clarifications from Bidders	Clarifications
	A representative from Dagooc Farm inquired on the envelope system.	A BAC Member answered that the required copies are 4 of technical and financial documents inside one mother envelope.

The BAC Secretariat is instructed to issue a bid bulletin seven days before the date of bid opening.

Adjournment:

There being no other queries and clarifications from prospective bidders, the meeting adjourned at 1:11 p.m.

II. PRE BIDDING CONFERENCE

Project Title:

1. Labor and Materials for the Canal improvement of SPIS in Pasacao Camarines Sur under 2020 Rice Program

ABC – ₱3,000,000.00

The Chair acknowledged the presence of the prospective bidder/s:

1. Judero Builders & Supply
2. A.E. Belleza Builders
3. J-Marbela Construction and Supply

BAC TWG presented the technical specification of the items to be bided for information, clarification and finalization. He emphasized that the Solar Power Irrigation System (SPIS) project requires the canal lining and improvement. The plans were also presented with length of 1,050 meters, and 0.5x.5 dimensions. The completion of work is 60 calendar days. The SLCC must be diversion dam, irrigation projects or impounding projects. As to the equipment, the requirement are concrete mixer (2 baggers), and minor tools.

<i>Issues Raised</i>	<i>Queries/Clarifications from Bidders</i>	<i>Clarifications</i>
	A representative from Judero Builders & Supply inquired regarding the SLCC whether an on-going project for canal can be accepted.	The BAC TWG answered that the requirement for single largest completed contracts and since the project for a technical agriculture infrastructure, an on-going project would not be considered.

The BAC Secretariat is instructed to issue a bid bulletin seven days before the date of bid opening.

Project Title:

2. Supply and Delivery of 1 unit Light Delivery Van for use in the Implementation / Enhancement of Kadiwa ni ANI at KITA Program under MDS SARO

ABC – ₱2,000,000.00

The Chair acknowledged the presence of the prospective bidder/s:

1. Foton Pili Cam. Sur
2. Hino Naga/Lass Automotive

BAC TWG presented the technical specification of the items to be bided for information, clarification and finalization. She emphasized that the custom-build van would be used for the implementation of Kadiwa ni Ani at Kita Program as Kadiwa on Wheels. The purchase and specifications has been reviewed and certified by MAPE. She also listed the essential accessories, racks, frames, and crates, as well as the load capacity of 2 tons, and other specifications.
