

BIDS AND AWARDS COMMITTEE

BID BULLETIN No. 1

Supply and Delivery of Lot 1- 800 packs Bio Fertilizer and Lot 2- 12,800 liters Foliar Fertilizer for use in the implementation under Rice Program 2022

June 17, 2022

Pursuant to the pre-bidding conference held today, the committee agreed on the following:

PARTICULARS	CLARIFICATIONS/ADDITIONAL SPECIFICATIONS
<p>Lot 1 – 800 packs Bio Fertilizer (200g/pack)</p> <p>Product Description: -Microbial-based bio fertilizer and/or bio stimulant.</p> <p>Specifications: With guaranteed analysis containing trace amounts of: Total Nitrogen, Total Phosphorous (as P2O5), Potassium (as K2O), Sulfur (as S04), Iron, Magnesium, Zinc -Total Plate Count (TPC): equal to or better than 100,000.00 colony forming units (cfu) per gram -Microbial contamination in terms of Total Coliforms: value less than 1.8 MPN/100 gram</p> <p>Requirements:</p> <ol style="list-style-type: none"> 1. FPA or BAFS registration 2. Results of guaranteed analysis for nutrient contents, TPC and total coliforms is supported by a laboratory analysis accredited by FPA. <p>Formulation: -powder in 15 g packaging</p>	<p>Lot 1 –800 packs Bio Fertilizer</p> <p>Product Description: -Microbial-based bio fertilizer and/or bio stimulant.</p> <p>Specifications:</p> <ol style="list-style-type: none"> 1.
